

Carlisle Barracks is a military installation and because of this it has special entry procedures. These procedures include a visitor's entrance through a vehicle Access Control Point located off Claremont Road, Carlisle, PA.

### **Entering Carlisle Barracks**

When entering off of Claremont Road pay special attention to the posted "**NO TURN**" signs. **DO NOT follow your GPS**, it may result in an improper entry attempt onto Carlisle Barracks. Signs are posted on Claremont Road; follow them to the "**Claremont Gate**" Access Control Point. Turn onto Jim Thorpe Road from Claremont Road and loop around to the Security Guards (*map below*). If you **DO NOT** have a DOD sticker on your vehicle, you must use the VISITORS LANE. Each person in the vehicle must present proper valid identification. Inform the Security Guard what function you are attending.

From the Visitors lane you will be directed to a security check of your vehicle. You may be asked for driver's license, vehicle registration, and proof of insurance. All passengers will be asked for a form of government issued ID with photo. Additionally, you may be asked to open all doors to your vehicle, your hood, and trunk for inspection. After you have been cleared by security, proceed straight across Claremont Road onto the Barracks proper.
